**10:00 am – 2:00 pm**

100 4th Street SW, Huron, SD 57350 (605) 352-3204**

The South Dakota Connection has been revitalized to encourage sharing of knowledge and resources within the state of South Dakota. There are many complex issues that managers face each day. We can learn a great deal from one another's challenges and experiences in this industry. The purpose of these meetings is to encourage consistency, clarity and simply making your life easier.

The topics of discussion for this connection meeting will be how to organize your files to ensure an efficient work environment. HMO's from SDHDA will be attending to provide their perspective. Please bring your questions.

Join us for an in-depth discussion and be prepared to share your thoughts, experiences, and questions. Staff from South Dakota Housing Development Authority will be present to help answer your questions.
